RISHIKA SHARMA

Full Stack Developer

rishikasharmar27@gmail.com | linkedin.com/in/rishika-sharma25 | 💻 github.com/rishikalearner | 📍 India

Professional Summary

Motivated Full Stack Developer with 1.8 years of experience in client operations and CRM workflows. Skilled in **Core Java, HTML5, CSS3, SQL, and MS SQL Server**, with hands-on projects in **JavaScript, React.js, Node.js, and REST APIs**. Strong foundation in **SDLC, database management, responsive design, Git/GitHub, and agile teamwork**. Eager to apply technical expertise and grow as a software engineer.

Work Experience

Senior Associate | Genpact (2021 – 2023)

- Served as **Salesforce Administrator & Developer**, managing CRM workflows and customizing solutions.
- Collaborated with cross-functional teams in an agile work environment to deliver business requirements on time.
- Analyzed operational data and generated reports to support data-driven decision making.
- Coordinated with stakeholders to gather requirements, document processes, and implement solutions.
- Consistently met SLAs and quality benchmarks, demonstrating strong attention to detail and accountability.

Education & Certifications

Full Stack Development | Intellipaat (Online Course) | currently

- Completed: HTML, CSS, SQL, MS SQL Server — building structured web pages and relational databases.
- Currently learning: JavaScript — DOM manipulation, events, and interactive web development.
- Upcoming: React.js, Node.js, and backend development with databases.

Bachelor's Degree | University | 2017 – 2021

Graduated with a focus on technology and analytical problem solving.

Projects

Hogwarts Sorting Quiz | HTML • CSS • JavaScript

- Developed an interactive, responsive web application using HTML5, CSS3, and vanilla JavaScript.
- Implemented dynamic UI logic, conditional rendering, and CSS animations for an engaging user experience.

Journal App | Java • Spring Boot • REST API

- Built a full-stack CRUD application using Core Java and Spring Boot with RESTful API architecture.
- Designed and managed relational data operations including create, read, update, and delete functionality.

Portfolio Website | HTML • CSS • JavaScript

- Designed and developed a mobile-first, fully responsive portfolio using HTML5 and CSS3.
- Implemented smooth scroll, animations, and cross-browser compatibility including Safari and Chrome.

Technical Skills

• Frontend: HTML5, CSS3, Responsive Web Design, Flexbox, CSS Grid, JavaScript (ES6+)

• Backend: Core Java, OOP, Spring Boot (basics), REST APIs, CRUD Operations

• Database: SQL, MS SQL Server (MSSQL), Relational Databases, Queries, Joins, Stored Procedures

• Tools: Git, GitHub, VS Code, Version Control, Browser DevTools

• Concepts: SDLC, Agile, Problem Solving, Debugging, Web Development, Data Management

• Learning: JavaScript (ES6+), React.js, Node.js, Full Stack Development

Soft Skills

Problem Solving • Team Collaboration • Fast Learner • Communication
